There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally, it acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by Druggists. Take Hall's Family Pills for constipation.

Family Dr says:
Care for
your Eyes,
Ears, Nose
and Throat.

If your eye is "sore" it may contain a streptococcus infection which will make you lose your sight. Take care of your ears in time and save your hearing. If you let your "sore throat" run on it may cause not only diphtheria but appendicitis or rheumatism. Science has recently learned these things.

Go "quick" to your family doctor when anything ails your eye, ear, nose or throat. When you need remedies come to us for them, and you can "rely" on what you buy.
